

If you fail to do your visitation, you will be invoiced by the treasurer \$5

You have a whole month so do it early.

If you find out you will not be at the meeting when we do eachother's commercials then you are expected to email the commercial to someone to read for you.

If you are absent that week and you don't have someone read your commercial, you will be invoiced \$5

You cannot just do a commercial for a member because you know them for a long time and know all about their business. You still have to meet or call and visit.
